Guild Quilt Retreat 2025

Mark your Calendars for our next Guild Quilt Retreat for 2025. Our next Quilt Retreat at Covington FFA Facility will be next year **April 21st to April 25th** more to come on cost and information about the retreat. We had a wonderful time at retreat, we had a total of 14 participate, our space was absolutely wonderful very spacious. Sleeping quarters were great and food, well let's just say we did not go hungry, it seemed we not sooner ate and it was time to eat again. Tracy Fritchman instructed us on a one block wonder it was so much fun and easier than I thought. I have only heard good things about the fun times we had all the games, laugh's and stories. You have a year to save up your money and sign up for the next retreat at Covington.

Here are some pictures of the fun times at the 2024 Guild Retreat at the Covington FFA Facility.
