SEPT  
2025

## In recent news...

September's meeting was certainly a COLORFUL one! Thank you to all who joined us for a wonderful lesson on Color Theory. Kelly Harbin from Cottontail Quilts did an amazing job teaching us all about complimentary colors, analogous colors, split harmony, tint, tone and more!

There were 26 members in attendance as well as 3 guests. We have 56 Members.

I would like to thank everyone who brought snacks to share! For the October meeting we will have a Pizza Party! Please bring a dessert or side dish to share if your birthday is in October or if your last name begins with H or I.

As always, it was wonderful seeing everyone and we look forward to seeing you again on October 20th! The Fat Quarter for October is Halloween.
